

Marketing Co-ordinator Graduate Administrators

North Sydney Marketing Agency

Synchro undertakes business building recognition and reward campaigns for a diverse range of blue chip clients across Australia and New Zealand. We require enthusiastic, well presented and self motivated marketing/social science qualified candidates to support Client campaigns in the following roles:

Marketing Co-ordinator - Involves extensive Client liaison in the strategic development and management of targeted business building initiatives – Sales Incentives, Customer Loyalty and Channel Marketing Programs – using sophisticated web-based communications and database administration platforms. Applicants with 2 – 3 years relevant commercial experience are sought for this role.

Marketing Administrators – Support the above role and are an integral part of campaign delivery – involves an interesting mix of account service and campaign fulfilment activities. This is an entry level career role with Synchro.

Successful candidates will have good interpersonal skills, be well organised, pro-active and possess high attention to detail. Strong computer skills are mandatory – MS Word, Excel and PowerPoint.
